

April 12, 2021

Brad Baldwin, P.E. City Engineer 269 E. Randall Wobbe Ln Springdale, AR 72764

RE: 090622, Spring Creek Trail

Recommendation for Award of Construction Contract

Dear Mr. Baldwin,

We received and opened bids for the above referenced project on April 1, 2021 at 2:00 pm. There were five (5) General Contractors who submitted full bids for the project.

Benchmark Construction of NWA, Inc. from Fayetteville, AR is the low bidder with a full bid in the amount of \$1,878,421.73. The 2<sup>nd</sup> lowest bid was by Crossland Heavy Contractors of Columbus, KS, Inc. at \$1,900,660.00. All five bids were within 20% of one another, suggesting that the overall project cost as bid is reasonable. The certified bid tabulation is attached for reference. The Engineer's construction cost estimate for the project was \$2,240,537.99.

We have reviewed the bid and have knowledge of their experience with work on several successful projects; we believe them to be qualified for this project. Benchmark Construction of NWA has a valid Arkansas Contractor's License (License No. 0033500521, valid to 05.31.21). They are listed as providing General Construction of Commercial, Industrial and Institutional Projects on the Arkansas Contractors Licensing Board website. According to their bid documentation, they will be carrying out approximately 69% of the work with their own forces; they are required to do at least 40%.

In light of the above information, we recommend awarding the bid to Benchmark Construction of NWA, Inc., in the amount of \$1,878,421.73.

Please do not hesitate to call should you have any questions and as always, thank you for allowing us to be of service.

Sincerely,

Eric Anderson Associate, MCE-Fayetteville (479) 443.2377 eanderson@mce.us.com
